

School Founders Academy

Dr. Sandra K. Breece

“Success with less stress
for school founders”

Dr. Sandra K. Breece, founder and CEO of School Founders Academy, inspires education professionals passionate about starting schools through her work and speaking engagements. Dr. Breece is an enthusiastic speaker with captivating takes on her 32 years of experience leading and creating schools. With a doctorate in educational leadership and a background as a dedicated educator, Dr. Breece reveals impactful ideas, lessons learned, and examples of success in founding a school to encourage and support her audiences. She is a co-author in “The Power of Community” anthology available April 2024. Through thought-provoking keynotes and shared stories of remarkable progress, Dr. Breece’s unwavering belief in the collective power to create positive change fuels her mission to elevate and empower.
